- ▶ Operates across Offshore, Onshore & Remote Site locations nationwide
- ▶ Serving Oil Majors, IOCs, Gas companies, Industrial, and B&I sectors
- ▶ HSEQ-driven culture with zero-compromise approach to safety and quality

# MISSION, VISION & CORE VALUES

## OUR MISSION

Our commitment to our clients is to be the most professional provider of facilities management and support services to businesses in Nigeria and in the West African sub-region.

## OUR VISION

To be the most trusted and preferred integrated support services company in Nigeria and West Africa — recognized for operational excellence, people development, and unwavering commitment to HSEQ standards.

## CORE VALUES

### Safety First

Zero harm to people, environment and assets — always our top priority.

### Quality Excellence

International standards in every meal, every task, every contract.

### Integrity

Transparent, ethical and accountable in all dealings.

### Nigerian Pride

100% local ownership. Committed to local content development.

### Innovation

Continuously improving processes, technology and service delivery.

### People Focus

Investing in our workforce through training, welfare and growth.

# MARINE AND CHANDLING

Integrated Support Services Across Nigeria

## **Bonded Stores Provisioning**

We supply bonded stores to vessels and offshore installations in accordance with international maritime regulations and customs requirements.

## **Deck Consumables Supply**

We supply a wide range of deck consumables and operational materials required for safe and efficient vessel and offshore rig operations.

## **Just-in-Time Logistics & Delivery Management**

Our Just-in-Time (JIT) logistics services ensure that vessels and offshore facilities receive supplies precisely when required, minimizing storage constraints and operational delays.

## **Compliant Offshore Delivery**

We ensure safe, compliant, and efficient offshore delivery of supplies to vessels and rigs, adhering to maritime safety regulations and offshore operational standards.

# GENERAL PROCUREMENTS

Integrated Support Services Across Nigeria

## **Procurement of Office & Offshore Operational Materials**

We provide procurement services for office supplies and offshore operational materials to support administrative and field operations.

## **Supply Chain Coordination & Vendor Management**

We manage the entire procurement supply chain to ensure efficient sourcing, vendor reliability, and cost optimization

## **Local and International Sourcing**

We leverage a network of local and global suppliers to ensure access to high-quality products and competitive pricing.

## **Quality Verification & Compliance Documentation**

We ensure all procured items meet required quality standards, regulatory requirements, and client specifications.

# INDUSTRIAL KITCHEN SOLUTION

Integrated Support Services Across Nigeria

## **Kitchen Design & Planning**

We create a functional, efficient, and safe kitchen layout that supports high-volume food production.

## **Equipment Procurement**

Ensuring the supply of high-quality commercial kitchen equipment that meets operational requirements and durability standards.

## **Installation & Commissioning**

Ensuring that all kitchen equipment and systems are properly installed, tested, and ready for operation.

## **Compliance with HSEQ Standards**

Ensuring that all kitchen facilities operate in line with Health, Safety, Environment, and Quality (HSEQ) regulations.

# WHY CHOOSE WHASSAN

Our Competitive Differentiators

01

## 40+ Years of Proven Track Record

Since 1982, we have consistently delivered quality services across Nigeria's most demanding operational environments — offshore, onshore, and remote locations.

02

## Triple ISO Certification

ISO 9001, ISO 14001 and ISO 22000 certified — providing assurance of quality, environmental responsibility and food safety across every contract we manage.

03

## HSEQ-Driven Operations

Health, Safety, Environment and Quality are not just policies — they are embedded in our culture. We maintain rigorous HSEQ management systems on every site.

04

## Local Content & Nigerian Ownership

100% Nigerian-owned with strong NCDMB compliance. We prioritise local procurement, workforce development and community engagement in all our operations.

05

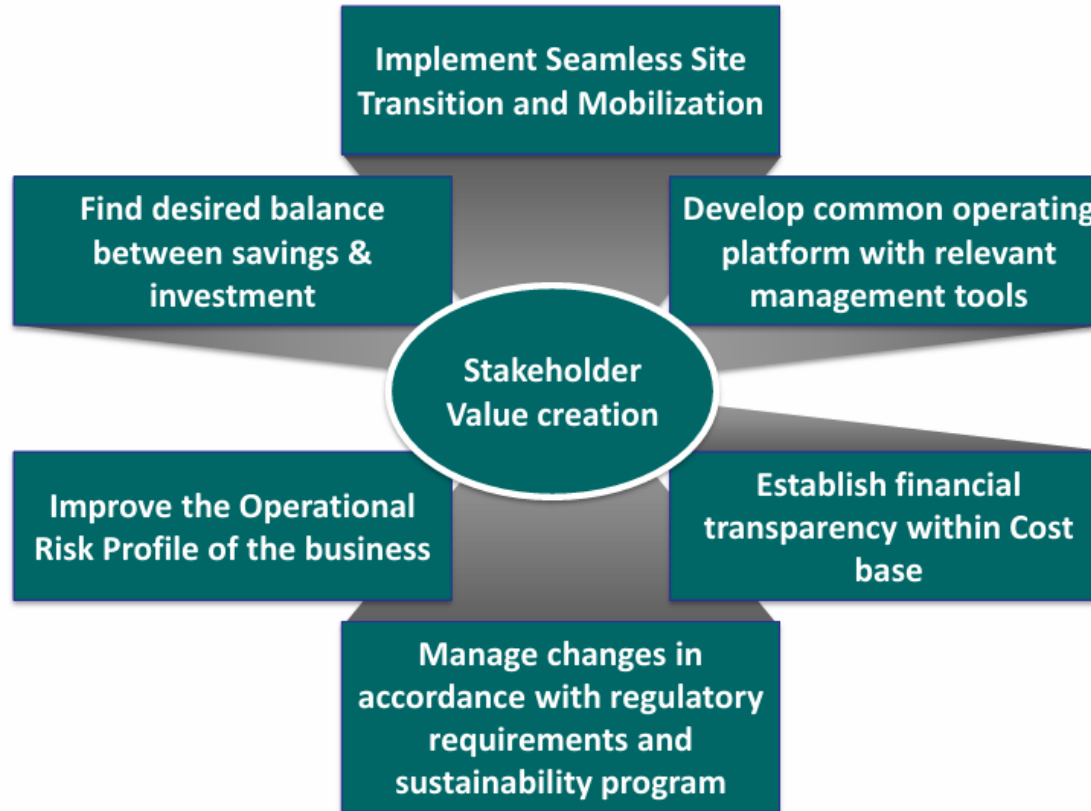

## Global Standards, Local Expertise

With our heritage from Compass Group Plc, we operate global systems adapted to Nigeria's operational realities — bringing international best practice to local challenges.

06

## End-to-End Integrated Services

From catering and FM to chandling, laundry, manpower outsourcing, and industrial kitchen installation — we provide a single-vendor solution for complex operations.

## Whassan's Core Competency Statement

Whassan operates and maintains a Quality Assurance/ Quality Control system. It is recognized as one of the most important elements for us to ensuring that our service delivery is in accordance to set processes and procedures so as to ensure that we:

- ❖ Mitigate any risk to safety
- ❖ Maintain a high level of service delivery and customer satisfaction .
- ❖ Operate in our “work environment” productively and efficiently.
- ❖ Continuous Training.
- ❖ Quality Audits.
- ❖ Continuous Improvement
